* Length of contract = 185+ days.

** Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	46	249	121
Percent satisfied with learning environment	80.0%	72.2%	82.1%
Percent satisfied with social and physical environment	95.7%	80.9%	71.4%
Percent satisfied with school-home relations	37.0%	82.2%	65.0%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Sedgefield Middle School serves students in grades six through eight. We strive to provide a rigorous curriculum within a safe learning environment to meet the needs of all students. The core curriculum emphasizes ELA, Mathematics, Social Studies and Science. 100% of our Algebra 1 and English 1 students passed end of course exams. Eighth grade students also have the opportunity to earn a high school credit in Keyboarding and Computer Applications. In addition to our core curriculum, students also have the opportunity to become actively involved in other areas such as Physical Education, Health, Art, Spanish, Chorus and computers.

Sedgefield Middle School teachers utilize inviting and engaging teaching strategies that encourage students to write across our standards-based curriculum. Our school uses the Making Middle Schools Work (MMGW) school improvement initiative.

Sedgefield Middle students are encouraged to participate in activities and clubs such as Junior Beta Club, Student Council, service learning activities, Shark News and yearbook. Academic challenge opportunities include Quest Quiz Bowl and the Post and Courier Challenge, while those musically inclined may choose to vie for selection in All-County Band or All County Chorus. Sedgefield Middle School is a 6-8 SACS accredited school located in Berkeley County with an enrollment of 869 students. Free and reduced-price lunch data indicate that 85% of the students live in families receiving financial assistance. The diverse population remains stable for students attending the school. Sedgefield's Growth Rating for this year was Average and the Absolute Rating was Average. Within the Sedgefield learning community 42% are African American, 38% are Caucasian, 15% are Hispanic, and 5% are Asian. The percentage of ESL students is increasing annually. Our students and their families speak the following languages: Spanish, Portuguese, and Tagalog. Over 66% of our students live in single parent homes and/or are being raised by grandparents. Our needs assessment is based on the 2010 PASS, Aims Web and MAP scores with approximately 37.9 % students scoring below basic in English Language Arts and 31.8% scoring below basic in Math. In reference to MAPS, students exceed national norm means in Math, Language Usage, and Reading in sixth grade and meet the norm in seventh grade Math. However, all other MAP scores fall below the national means; in seventh grade, Reading and Language Usage fell along with eighth grade norms in Reading, Language Usage and Math. Achievement data from the 2010 PASS reflects 27 out of 29 objectives were met. The two that were not met will be targeted areas focused on within the Strategic Plan along with other needs. Data from the Measures of Academic Progress (MAP) shows an increase in average growth from fall to spring in all areas except for Math in the eighth grade. We feel these increases were a result of our 2010 strategic plan and its strategies. We still feel the need for the following: remediation in higher order thinking skills; hands on manipulative instruction in math concepts and measurement; grammar and sentence structure; vocabulary and comprehension skills; the writing process; and test-taking strategies. In the subjects of Science and Social Studies the areas of conceptual understanding and comprehension are areas of weaknesses and also need to be addressed.

Michael G. Lucas, Principal
Carie Taylor, School Improvement Council Chairperson
